

## **MSAD #44 District Vision**

### **It's All About Students! Everything and Every Decision!**

*Creating an Environment Conducive to Student Learning to ensure that all MSAD #44 students are:*

- Prepared to start school every year, in any school
- Prepared for post-secondary education and employment

#### **Organizational Structure**

- Develop and maintain strong district leadership
- Strengthen middle school programming
- Promote student achievement
- Improve and maintain building morale
- Create Individual Learning Plans for all students

#### **Curriculum**

- Provide integrated, Maine Learning Results-aligned, K-12 curriculum to meet and surpass State standards
- Develop a K-12 visual and performing arts program
- Develop a K-12 world languages program
- Develop a K-12 health curriculum
- Determine and implement instructional best practices
- Use data to drive instruction and improve student learning
- Raise aspirations
- Develop thoughtful transition plans

#### **Extra/co-curricular**

- Support varied after school offerings
- Coordinate with and utilize community resources

#### **Staff**

- Attract, support, and retain quality staff
- Provide relevant, quality professional development
- Seek teacher input on programming

#### **Resources**

- Develop 5 year technology plan
- Integrate technology into the curriculum as both skill and tool
- Utilize district web site

#### **Culture**

- Expand college guidance services
- Improve home-school communication
- Ensure consistent discipline

#### **Facilities**

- Develop long term facilities plan
- Provide adequate, appropriate learning environments

#### **Health and Nutrition**

- Promote healthy lifestyles: Coordinate health/wellness programs
- Enhance the MSAD #44 school lunch program

#### **Active Volunteer Program**

- Create partnerships
- Promote communications
